

Rules and Guidelines

Decorations:

Due to the sensitivity of our animals, no balloons, styrofoam products, straws, glitter, confetti, Mylar ribbon, balls, Frisbees, skates, skateboards or bicycles are allowed in the Zoo. Decorations are not required for your party- the Zoo's environment provides a wonderful atmosphere.

Entertainment:

No entertainment is allowed at birthday parties.

Weather Conditions and Party Location:

The party location is outdoors; parties will be moved indoors at the discretion of the staff if the weather is poor. Parties will not be rescheduled.

Guest Check-in and Parking:

Free parking is available throughout William Land Park.

Gather your entire group in front of the Zoo and enter together through the Members' Entrance (located to the right of the front gate). Your reservation will be under the birthday child's name and they will direct you to your party location. Under no circumstances should parents drop off their unescorted child at the front gate. Neither the Sacramento Zoo nor Service Systems Associates will be responsible for child care. If parents drop off children for the party, instruct them to do so outside the Zoo's main entrance to meet with you. Parents not participating in the party will not be allowed to enter the Zoo unless they pay admission.

Parties start promptly; please instruct your guests to arrive at least thirty minutes before the scheduled start time.

Final Guest Count:

Please remember that we require one adult chaperone for every five children in your group! Your final guest count must be called into the Reservation Specialist by the Monday before your party date and must include all adults and children attending the party.

A \$5.50 charge will be added to the invoice for adult "chaperones" (adults attending the party, but not eating).

"Member" adult chaperones are eligible for free admission with a pass they may pick up at the Members' Entrance upon check-in.

You cannot make any additional changes once you have given the final guest total. The party is responsible for full payment based on the final guest count.
